Skin Care Treatments - The Moment Your Skin Changed Forever!

When Dermalogica meets skin, skin health is redefined. Our promise to you is that your skin will never have felt as clean, or as healthy, as after one of our professional services; nor will you leave our Skin Bar® without truly understanding your skin, and its needs. Our therapists are among the best trained in the industry, and each has postgraduate certification from The International Dermal Institute.

What does that mean for your skin?

Quite simply: Real Treatments. Real Answers. Real Products. Real Results!

Our services

Face Mapping® Skin Analysis

Our Face Mapping® skin analysis takes all the guesswork out of getting results. Your Dermalogica Skin Therapist will diagnose your skin's concerns and prescribe a no-nonsense home care and treatment regimen to deliver your optimum skin health in your 14 unique zones. A professional consultation that reveals your skin's past, present... and healthiest future.

Skin Bar®

Test-drive your prescribed home care routine under the guidance of a professional Skin Therapist. At Skin Bar®, you can learn about your skin with Face Mapping®, and then learn how to use the products, hands-on.

The Dermalogica® Skin Treatment

The Dermalogica Skin Treatment is 100% customised to your skin need's based on consultation and a thorough, zone-by-zone Face Mapping® skin analysis, making it one treatment... that's different every time! Totally designed to meet to your needs, each treatment includes professional double cleansing, exfoliation, results enhancing electrical modalities, extractions (as needed), masque, toner and skin protection.

As Dermalogica professionals, we may choose from the following Dermalogica segmented lines to create the ultimate skin result.

AGE Smart®

Are the signs of ageing more prevalent on your skin?

Give it a boost with this treatment designed to help firm, smooth, nourish, regenerate and energise while controlling the biochemical triggers that lead to skin ageing. Potent vitamin and hydroxy acid exfoliation resurfaces and retextures skin while energising massage techniques release tension in the facial muscles for the ultimate in skin therapy for prematurely ageing or mature skin. The age smart treatment is the perfect complement to your age smart home care routine delivers the immediate results only available from a professional skin treatment.

For the latest in vitamin repair and hydroxy acid exfoliation this treatment is designed to treat environmentally damaged skin. It includes vitamin power exfoliation and vitamin recovery mask to noticeably improve skin elasticity, tone and texture.

UltraCalming™ Sensitive Skin Treatment

The Dermalogica UltraCalming™ products are serious relief for sensitised skin that calms, soothes and replenishes the most aggravated, irritated, inflamed skin.

If your skin is looking red, inflamed or feeling itchy then this is the treatment for you!! Our super soothing cleansing will remove impurities from your skin, followed by a calming oatmeal mask that will instantly calm redness and reduce inflammation.

MediBac Clearing® Acne Management Skin Treatment

It's the end of the line for adult acne with the powerful treatment that jump starts acne clearing and helps prevent acne well beyond the treatment. We'll start with a thorough deep cleansing, followed by professional exfoliation to remove pore clogged cells and extractions to help clear current breakouts without spreading acne causing bacteria.

The application of our soothing professional masque system detoxifies skin while calming irritation and redness, and oil free hydration and solar defences help hydrate and control excess surface oil while keeping skin protected.

Pigmentation Management Facial

Accelerate brightening, improve skin tone enhance clarity and create a fresher, healthier appearance with this effective treatment.

Active Resurface 35

Looking for dramatic results, fast? Active resurface 35 provides intensive resurfacing for ultra-smooth skin. Specifically designed for advanced skin care users who need the ultimate in active treatment. Targets a range of skin care concerns from premature ageing to pigmentation and scarring.

Skin Analysis Face Mapping Consultation And Express Facial

Not sure what skin type you are or why your skin looks dull? This is the treatment for you; in fact it's for everyone. Using the Dermalogica Face Mapping analysis, this treatment is truly customised every step of the way to address your personal skin concerns.

The skin scanner is a piece of equipment that uses a black light allowing both the therapist and the client to look 'beneath' or 'through' the skin to reveal the full condition. It allows for an accurate skin analysis and prescriptive treatment to be given, in turn giving you the opportunity to achieve the perfect complexion.

Teenagers Clear Start Facial

A teens skin is moody!! Start them early into a routine so they understand how important it is to take care of their skin.

MicroZone® Express Treatment

Want a professional skin treatment but short on time? Get on-the-spot skin solutions with MicroZone® treatments. We'll address your top skin concern, hands-on, with our exclusive Dermalogica MicroZone® treatments – the quick fix for troubled skin. After consultation and Face Mapping® skin analysis we will determine your skins most pertinent skin needs and focus on key stages of treatment to get you maximum results in a minimum of time.
