Jane Iredale is known as The Skin Care Make up, so safe and beneficial to use that it is recommended by Plastic Surgeons and Dermatologists throughout the world. THE SKIN CARE MAKEUP

The Benefits

- Non comedogenic will not block pores.
- Virtually no allergy risk
- Broad spectrum UVB and UVA protection – up to SPF 20.
- Anti-inflammatory helps to calm and soothe irritated skin.
- Water resistant rating by an approved FDA lab.
- Complete coverage for skin conditions like acne, rosacea and redness following treatments like microdermabrasion, chemical peels and laser resurfacing;
 - Contains no fillers.
 - Composed of inert minerals that cannot support bacteria.
 - Environmentally aware and not tested on animals.

Jane Iredale's line is a highly sophisticated blend of minerals and pigments, which are micro – pulverised using propriety technology and processes to form microscopic flat crystals.

These crystals overlap each other on the skin to form a filter that allows the skin to breathe and function normally while still protecting it from air borne pollutants. The staying power of the minerals is so great that they rarely need a touch up during the day. And because these silky feeling powders are water resistant, they won't crease or smear even during the most strenuous exercise. These state of the art minerals are available in so many colours that there's one for every complexion no matter what the ethnicity.

What happens at your make up trial?

We suggest that a make up trial be carried out between 4-6 weeks prior to your wedding day. At the trial we will discuss colours, looks and any ideas you already have. We will record your desired look on a prescription sheet.

A trial is essential for the bride. It ensures that you are happy with how you look on your wedding day so that your wedding day will run smoothly with your make up, timings and requirements arranged in advance. Your trial will last up to one hour.

We will chat with you about the make up you normally wear, the style of your wedding dress and colour themes. The finished result should feel comfortable for you, fit in with the style of your wedding and your personality, and most importantly, last all day.

Your Wedding Day

It's finally here! At your trial we will have agreed a time for you to arrive either at the salon, or for us to meet at your home or venue of your choice. The bride is usually the last one to be attended to (after her hair has been styled, but before she gets dressed) to ensure her make up is fresh and perfect. One hour will be allowed for the brides make up and 45 minutes each for other members of the bridal party.

TAYLOR MADE PACKAGES ARE AVAILABLE – PRICE ON APPLICATION

Please note that an additional travel charge will apply if you are not coming in to the salon. Please ask for details.
